### CHILD CARE ON SKI VACATION IN ELLMAU/TIROL

At the top station of the Hartkaiserbahn (1.520 m) in Ellmau, young guests (2 - 6 years) will find a very special home for the ski day. A world full of surprises awaits the little ones up here. We offer a great indoor play area in a child friendly environment. All children who start their ski course at the Hartkaiser can visit the Kids Club for free if there are any free spots left (except for lunchtime supervision).
